Dear friends and fellow musicians,

Hope you all had a productive and fun-filled summer. It is an exciting time of the year once again as school starts, and of course, it is my pleasure to welcome you back to our 2011 – 2012 season for the Chopin Student Musicians' Club.

It is truly an honor for all of you to be part of this prestigious organization that features some of the finest musicians like yourself from Rhode Island. I send my congratulations to you for showing your commitment to be part of this wonderful program.

Chopin Club members are recommended to attend every meeting to the best of their ability. Officers of the club are REQUIRED to attend every meeting, unless they have legitimate excuses. The Chopin Club is about learning from each other's performances and sharing your own musical talents. Whether you are performing on the stage or sitting in the audience, there is always something valuable to learn, and that is what makes the Chopin Club so enjoyable year after year.
